[Senator, Congressperson, or Governor Full Name]

[Address]

Dear [Senator, Congressperson, or Governor Last Name]:

My name is [First and Last Name] and I'm writing to you as a concerned citizen of [State, City]. Due to the staggering number of attempts at censoring and banning literature across the nation, our local libraries and schools are experiencing unprecedented attacks and the children in our communities are being robbed of the opportunity to gain insightful perspectives about the world around them.

Literature is an essential learning tool, and it is my hope that you would reject attempts at censorship and book banning so that it remains accessible for the many citizens of our community who desire to read books that reflect the human experience in its many forms.

I appreciate your consideration of my request and ask that you please send a response informing me of your receipt of this letter.

Thank you for your time.

Sincerely,

[Name of Sender]
